Re: United States v. Scott; Crim. No. 08-789 (WHW)  
Clarification of this Court's October 15, 2009 Order

Dear Counsel:

This Court's October 15, 2009 Order incorrectly stated that it concerned disclosure of Brady materials. It should have stated that it concerned disclosure of Giglio materials, as Officer Emmanuel Pereira's personnel records are Giglio materials.

Moreover, the Order did not state which portions of Officer Pereira's records are to be disclosed to Defendant Scott. It should have stated that the United States is to disclose all pending complaints against Office Pereira. Counsel should note that admission of any evidence

contained in these records is subject to a determination of relevance by the Court at the time of trial.

It is on this 16th day of October, 2009:

ORDERED that, in accordance with its obligations under Giglio, the United States shall disclose to Defendant Hassan Scott all pending complaints against Police Officer Emmanuel Pereira, who may be called by the United States to testify at trial in this matter.
